Women as Well as Men
Are Made Miserable by
Kidney Trouble.

Kidney trouble preys upon the mind, dis-
courages and lessens ambition; beauty, vigor
and cheerfulness soon disappear when the kid-
neys are out of order
or diseased.

Kidney trouble has
become so prevalent
that it is not uncommon
for a child to be born
afflicted with weak kid-
neys. If the child urines
too often, if the
urine scalds the flesh or if, when the child
reaches an age when it should be able to
control the passage, it is yet afflicted with
bed-wetting, depend upon it, the cause of
the difficulty is kidney trouble, and the first
step should be towards the treatment of
these important organs. This unpleasant
trouble is due to a diseased condition of the
kidneys and bladder and not to a habit as
most people suppose.

Women as well as men are made mis-
erable with kidney and bladder trouble,
and both need the same great remedy.
The mild and the immediate effect of
Swamp-Root is soon realized. It is sold
by druggists, in fifty-
cent and one dollar
sizes. You may have a
sample bottle by mail
free, also pamphlet tell-
ing all about it, including many of the
thousands of testimonial letters received
from sufferers cured. In writing Dr. Kilmer
& Co., Binghamton, N. Y., be sure and
mention this paper.

Home of Swamp-Root.

Mrs. Laura S. Webb,
Vice-President Woman's Demo-
cratic Club of Northern Ohio.

"I dreaded the change of life which
was fast approaching. I noticed Wine
of Cardui, and decided to try a bot-
tle. I experienced some relief the
first month, so I kept on taking it for
three months and now I menstruate
with no pain and I shall take it off and
on now until I have passed the climax."

Female weakness, disordered
menstruation, falling of the womb and
ovarian troubles do not wear off.
They follow a woman to the change
of life. Do not wait but take Wine
of Cardui now and avoid the trou-
ble. Wine of Cardui never fails to
benefit a suffering woman of
any age. Wine of Cardui relieved
Mrs. Webb when she was in dan-
ger. When you come to the change
of life Mrs. Webb's letter will
mean more to you than it does
now. But you may now avoid the
suffering she endured. Druggists
sell \$1 bottles of Wine of Cardui.

FRIDAY, FEBRUARY 20, 1903.

Our Lincoln Letter

As was expected a week ago, the re-
venue committee was not ready to re-
port this week, and was readily granted
more time. The main features of
the bill had been agreed upon by the
members, but the actual work of the
committee had yet to be done. On
this a committee of six lawyers has put
in a solid week, and a report of the
finished product is expected in a day or
so. In the meantime it is noticeable
that faith in the ultimate passage of a
revenue bill has grown among the
members of the legislature, as well as
outsiders. This shows a considerable
confidence in the members of the re-
venue committee.

The program as outlined by one of
the members of the revenue committee
is to report the bill and have a large
number of extras at once printed, so
that the people outside of the capital
may keep pace with the deliberation
on the new bill. It is especially desired
that county clerks, treasurers and
commissioners have copies, as they
are facing the tax problem every day,
and suggestions from them will be of
assistance in the discussion of the bill.

On the account of the pending re-
venue bill, the events of the past week
have not been of great interest. Ap-
propriations for State Institutions
have been reported and discussed in
some cases, but it is conceded that
most of them must wait until the one
important matter is disposed of. There
has been discussion in both
ends of the House regarding the
prevailing methods of letting bridge
contracts in counties and bills to en-
courage honest contractors and shut out
combination bidding have got fairly
well started in both ends of the legis-
lature.

There has been much discussion of
the two elevator bills now before the
legislature, and according to the pro-
gram they will be considered by the
counties this week. The one in the
house is by Ramsey of Gage, and the
one in the senate is by Brady of Boone.
They call for practically the same
thing, which is, that any person be al-
lowed to build an elevator adjoining
the railroad right of way at the station
and compel the company to run a side-
track up to the elevator. The agita-
tion of the questions comes in part
from local dissatisfaction in some
parts of the state because of discrimi-
nation or unequal facilities and partly
from the efforts of an organization
worked up by a Kansas elevator man.

Some bills of interest recently intro-
duced in the House are: No. 197, pro-
viding that saloon notices be publish-
ed in a paper of "general circulation";
No. 201, compelling cities and villages
to report four times a year the com-
plete record of bonded indebtedness to
the State Auditor; No. 208, providing
for appointment of matron where fe-
males or minors under 18 are confined
in jails; No. 211, providing for chattel
mortgage on offspring; No. 216, per-
mitting independent telephones to en-
ter cities; No. 221 appropriating \$75-
000 for the inspection of steam boilers
and licensing of engineers. No. 255
making chicken stealing a felony; No.
655 appropriating \$85,000 for a build-
ing for a State Historical Society; No.
298, appropriating \$1,000 to fit up a
G. A. R. Museum and pay for publi-
cation of reports for department com-
mander.

Interesting Senate bills recently
printed; No. 128, preventing justice of
peace from acting as attorney in cases
brought before themselves; No. 129,
providing for the priority of liens for
the feeding and care of live stock; No.
235, repealing the wolf bounty law;
No. 146, providing for condemnation
of location on right of way for erec-
tion of grain elevators; No. 152, joint
resolution calling for direct election of
U. S. Senators; No. 154, providing for
a commission to revise the statutes;
No. 171, for the reduction in the width
of public roads in certain cases.

THE FEBRUARY HOUSEKEEPER

The Housekeeper magazine for Feb-
ruary is full of bright, timely, interest-
ing reading for every member of the
family. Every article and depart-
ment is refreshingly new and up-to-
date, with helpful suggestions on all
topics of interest in the home. Joel
Chandler Harris writes a charming
love story entitled "Miss Fuss Parasol"
the ingenious manner in which a neg-
ro "mammy" brought together an old
maid and an old bachelor is told most
delightfully and artistically, and with
the delicate humor that has made
"Uncle Remus" famous. John Philip
Sousa, the composer, contributes the
first installment of his strong serial,
"The Romance of Angelo Diotti."
The weird fascination of this strange
story will be felt by every reader.
Mrs. Elizabeth O. Hiller, Principal of
the Chicago Domestic Science Train-
ing School, inaugurates her depart-
ments of cookery. The Kitchen King-
dom and the art of serving and Entertaining
and answers numerous inquiries
on these subjects. Among other
notable features are the Wonderful
Rugs made by the Pueblo Indians,
an illustrated article of rare interest.
A glimpse into a Mexican Kitchen,
with remarkable photos of this odd
corner, and a day in Delft, that quaint
city of the Old World, where the fam-
ous ware is made. The page for the
boys and girls, under the direction of
Mrs. Julia D. Cowles, a well-known
contributor to the reading juvenile
publications of the country, is a feature
that will be much appreciated. This
page is conducted on entirely novel
lines and is bright, breezy and instruc-
tive. A unique puzzle competition is
begun in this number, one that is not
too difficult and yet is highly amusing.
Prizes are offered to the successful sol-
vers. On the editorial page a variety
of live topics are treated from a new
viewpoint, and it is endeavored to find
answers to the questions, among others
Should Bachelors be taxed? and why
don't the men propose? The House-
keeper for February, all in all, sets a
high standard for the home magazine.

Children's Coughs and Colds

Mrs. Joe McGrath, 327 E. 1st St.,
Hutchinson, Kan., writes: "I have
given Ballard's Horehound Syrup to
my children for coughs and colds for
the past four years, and find it the
best medicine I ever used." Unlike
many cough syrups, it contains no
opium, but will soothe and heal any
disease of the throat or lungs quicker
than any other remedy. 25c, 50c and
\$1.00 at Hill's.

You never heard of any one using
Foley's Honey and Tar and not being
satisfied. For sale by M. T. Hill.

Better Than Gold.

I was troubled for several years with
chronic indigestion and nervous debili-
ty, writes F. G. Green, of Lancaster,
N. H. "No remedy helped me until I
began using Electric Bitters which
did me more good than all the medi-
cine I ever used. They have also kept
my wife in excellent health for years.
She says Electric Bitters are just splen-
did for female troubles; that they are
a grand tonic and invigorator for weak
run down women. No other medi-
cine can take its place in our family."
Try them. Only 50c. Satisfaction

A Weak Stomach

Causes a weak body and invites dis-
ease. Kodol dyspepsia cure cures and
strengthens the stomach and wards
off and overcomes disease. J. B.
Taylor, a prominent merchant of
Christman, Texas, says, "I could not
eat because of a weak stomach. I lost
all strength and run down in weight.
All that money could do was done, but
all hope of recovery vanished. Hear-
ing of some wonderful cures effected
by use of Kodol I concluded to try it.
The first bottle benefited me, and after
taking four bottles I am fully restored
to my usual strength, weight and
health.—W. W. Keeling.

To improve the appetite and streng-
then the digestion, try a few doses of
Chamberlain's Stomach and Liver Tab-
lets. Mr. K. H. Seitz of Detroit, Mich.,

ing and caused a pleasant and satisfac-
tory movement of the bowels."

There are people in this community
who need just such a medicine. For

This is the season of the year when
the prudent and careful housewife re-

when it is kept at hand and given as

system. In almost every instance
a severe cold may be warded off by
taking this remedy freely as soon as
the first indication of the cold appears.

There is no danger of giving it to
children for it contains no harmful
substance. It is pleasant to take; both
adults and children like it. Buy it and

minute that these Iowa and
Illinois farmers do not know
what good land is. Every one
knows they do. That is the
